**SOAKING IN THE ELEMENTS
OF NATURE AND LIFE AROUND US,
OUR JOURNEY IS DOTTED
WITH MILESTONES IN
DESIGN EXCELLENCE.**

Nature is full of chaos yet seamless in identity. There's so much to learn from this chaos and so much to be inspired by its seamless beauty. Let your sight and senses see beyond to appreciate its intrinsic beauty.

The New Sunmica Collection from AICA dares to be different by looking beyond the usual. With a bouquet of exceptional design elements that have come together to inspire individuals and living environments around them. Get enamoured by its vivid color tones, realistic finishes and eclectic abstracts that will gel with contemporary aesthetics.

AICA works around the power of simplicity and design. And, how this power holds immense possibilities to bring alive ideas to the fore.

DESIGN EXCELLENCE ACROSS GENERATIONS

Revel in the tastefully curated world of AICA laminates where every design matches your dreams.

Established in 2011, AICA Laminates Pvt. Ltd. was born out of the coming together of The Bombay Burmah Trading Corporation Limited and AICA Laminates India Pvt. Ltd. This led to the development of brand Sunmica has now become integral to the AICA story. Over the years, Sunmica has created its own niche with a proven track record of quality, durability and reliability.

Its parent company Aica Kogyo Company Ltd. was established in 1936 in Nishi-horie, Kiyoso Aichi, Japan enjoying a presence in countries like China, Indonesia, Thailand, Vietnam, Malaysia and India. The company's manufacturing facility at Rudrapur, Uttarakhand conforms to the most stringent international standards. Its endless endeavour to bring out a combination of environment-oriented and design oriented operations has added more feathers to the cap of brand Sunmica.

With a robust dealer network all over India, it is bringing Japanese technology and world renowned quality processes to the fore. Adding wholeheartedly to the company's commitment to offer excellence in customer service and satisfaction.

Get ready to choose from a range of enthralling colours, patterns and designs. Get set to add a new lease of life to interiors with AICA!

Now in India

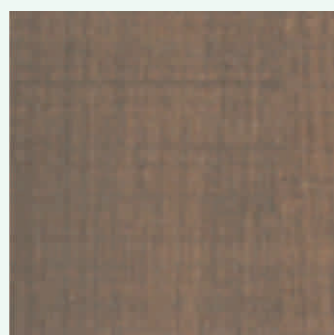

Highly chemical-resistant decorative panels

Can be used on laboratory countertops in schools, institutions, hospitals, and research facilities, as well as on science classroom fixtures.

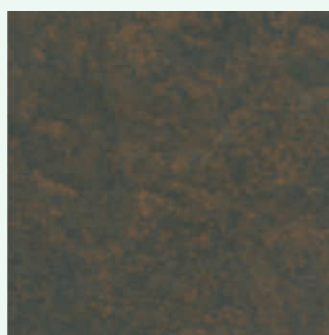

- ▶ Certification : CHEMITECT conforms to typical standards of ANSI/NEMA LD3-2005 for HGS laminate. At present, there is no general industry standard for a high-pressure, chemical-resistant laminate.
- ▶ Green Label Certificate : AICA-SUNMICA Laminate product types were tested under the stringent GREENLABEL, SGLS(SINGAPORE) standards for low-emitting products.
- ▶ AICA LAMINATE is an ISO 9001:2008 & ISO 14001:2004 certified company.
